

March 1, 2023

Dear Community Members:

On December 26th, 2019 we lost a very bright light in our community, four-year-old, Westyn Engel of Hartland, due to complications of Congenital Adrenal Hyperplasia (CAH). CAH is a group of inherited genetic disorders that affects the adrenal glands, a pair of small organs above the kidneys. A person with CAH lacks one of the enzymes the adrenal glands use to produce hormones that help regulate the metabolism, immune system, blood pressure and other essential functions. In November of 2020, Waylon (Westyn's little brother) was born who also tested positive for the same condition.

In honor of Westyn, we've created the Westyn's Light Foundation and we are asking for your support.

The Foundation has three key initiatives:

1. To raise awareness of Congenital Adrenal Hyperplasia (CAH).
2. Provide education to healthcare professionals, specifically first responders.
3. Provide support to families affected by CAH.
4. Raise funds needed to raise and train service dogs for children living with CAH/AI.

Westyn's Light Foundation is pleased to announce our 4th Annual Westyn's Light CAH Superhero Walk/Run (1K for kids, 5K and 10K). The event will take place on **Saturday, June 3rd, 2023** at University Lake School Campus Trails located in Hartland.

We hope that you will not only participate in this event, but also consider donating your time, money, goods to our efforts. Enclosed is a menu of suggested options for sponsorship. Please feel free to reach out if you would like to discuss alternate options. If you prefer to Donate to the cause online, the QR code below will take you to the online donation page of our website.

Thank you for your consideration, we are looking forward to a successful event!
Without the generosity of sponsors we would not be able to do what we do so Thank You!!

Sincerely,

Westyn's Light Foundation
